

PUBLIC RELATIONS

The School of Communication's flexible, integrated and multidisciplinary approach will prepare graduates to efficiently and effectively navigate this ever-changing digital world. It will combine innovative practice skills and theoretical grounding with experiential learning opportunities. It will enhance student experiences through strong ties to industry partners, non-profit organizations and government agencies on a local, national and global level.

PROGRAMS

DEGREES AND CERTIFICATES

- Bachelor of Science in Public Relations

ABOUT THE PROGRAM

The Public Relations program prepares students to become engaged, knowledgeable, and ethical communicators, advocates & storytellers. We inspire students to embrace media technologies, create diverse stories, think critically about media institutions & foster the public good by advancing socially responsible communication.
