Academic Year 2019-2020

The Global Education Faculty Curriculum Development Grant is a pilot program designed to provide funding for faculty members to develop a new course or modify an existing course.

There are two grant options available: course modification (maximum of \$1,000 per proposal) and new course (maximum of \$2,000 per proposal). Applicants must submit a syllabus and include evidence the curriculum proposal has been approved by the department and college.
