Self-Guided Tour

Welcome to Minnesota State University, Mankato! This map is designed to help you navigate around our campus, view our facilities, and see what we have to offer. You will find QR codes on the pin sign at each entrance labeled on the map. These QR codes will take you to the virtual tour content for that location on our website. Following the building sequence below will give you a chance to see some of the highlights of campus. Please feel free to wander around and check out any additional areas that may be of interest to you. For your convenience, we have also included information about a variety of our buildings and facilities below. Thank you for visiting Minnesota State University, Mankato!

1. **Taylor Center [TC]:** Includes 4,800 seat Bresnan Arena, Office of Admissions, locker rooms, a weight room, wrestling room, and coaches' offices. Glen Taylor, owner of the Minnesota Timberwolves and Minnesota State Mankato graduate, donated 11 million dollars to aid in the construction. It is the home of Maverick basketball, wrestling and volleyball.
2. **Leonard A. Ford Hall [FH]:** Home of the Department of Chemistry and Geology. It is a state-of-the-art green building using natural light for the laboratories and an energy conservation system for heating and cooling.
3. **Clinical Sciences Building [CS]:** The \$25.8 million clinical sciences building houses a 24-chair dental clinic and 14 examination/consultation rooms coupled with labs, classrooms or observation areas, office space and several student interaction and study spaces. Primarily occupying it are students from the School of Nursing and the departments of Dental Hygiene and Speech and Hearing & Rehabilitation Services. Students have access to state-of-the-art training facilities and are able to work collaboratively with faculty and students from all over campus.
4. **Trafton Science Center [TR]:** Houses the College of Science, Engineering and Technology. This is the largest academic building on campus and is divided into four wings – North, Center, South, and East.
5. **Wissink Hall [WH]:** 1st Floor – Academic Computer Center with 500 computers and Telepresence video conferencing. Computers, printers, a multi-media lab, and digital editing equipment are housed here and the university E-Sports facility is located here as well. There is a combination of Macintosh and PCs as well as a software library, laser printers, multi-media lab, and digital editing equipment. 2nd and 3rd floors house the departments of Mathematics, Statistics, Computer Information Science and Nursing.
6. **Earley Center for Performing Arts [PA]:** Houses the Music, Theater, and Dance departments complete with practice rooms, costume/scene shops, and a music library. The Department of Theatre and Dance performs 15 productions a year with ticket sales that rank in the top 1% in the entire country. The Department of Music has many instrumental and vocal groups which students can be involved with. Students do not need to be music or theatre majors to be involved in musical groups or stage productions.
7. **Residential Communities:** We provide five residence community options that house up to 2,900 residents. Our facilities offer traditional, semi-suite, & apartment style floor plans, as well as Learning Communities.
8. **University Dining Center:** The University Dining Center is a modern, spacious, all-you-care-to-eat residential dining facility. Normal hours of operation are 7:00 a.m.-9:00 p.m.
9. **Memorial Library [ML]:** Includes 3 floors with over 1 million volumes and an on-line database. Hours are usually from 7:30 a.m. to midnight with reference librarians available for assistance. The basement houses Accessibility Resources and the Center for Academic Success (free tutoring).
10. **Centennial Student Union [SU]:** 1st Floor – MavAve food court: Taco Bell, Chick-fil-A, salad/soup bar, coffee bar, hot entrees, and cold sandwiches are available. The Campus Hub, Student Activities, LGBT Center, and Veterans Resource Center are also located here. Barnes and Noble Bookstore: Buy and sell books – get your Minnesota State Mankato clothing, art supplies, cards, and gifts. Basement – Erberts & Gerbert's, Asian Grill, Campus Computer Store, Student Art Gallery, Affinity Plus Credit Union, Maverick Gameroom (bowling alley, pool tables, video games, etc.) 2nd Floor – Houses the Office of Multicultural Affairs, The Reporter Student Newspaper, Student Senate Office, a Women's Center and International Programs.
11. **Armstrong Hall [AH]:** Constructed in 1964, this is one of the original buildings on the campus. It is full of classrooms used by the Colleges of Education, Social and Behavioral Sciences, and Arts and Humanities.
12. **Morris Hall [MH]:** Houses the College of Business, the departments of Urban and Regional Studies and Law Enforcement, Political Science, the Dental Hygiene Clinic, the Undergraduate Research Center and the Honors Program. All classes within the College of Business integrate laptop computers into the curriculum.
13. **Otto Recreation Center [OR]:** Includes updated locker rooms, athletic courts, jogging track, free and machine weights, aquatics, and over 40 pieces of fitness equipment.
14. **Myers Field House [MF]:** This premier 60,000 square foot facility has an 8-lane, 200-meter track along with 4 basketball courts which can be used for volleyball, badminton, pickleball and tennis. Myers Field House has a capacity of 1,000 and has hosted the NCAA Division II National Wrestling Championships and the NCAA Division II National Indoor Track & Field Championships. Campus Recreation also is housed here and features a state-of-the-art Indoor Climbing Center and Outdoor Rock Wall.
