I. **Meeting Minutes**  
Meeting minutes from 3/17/17 were approved.

II. **Campus Tour Details**  
The tour will be on Friday, April 28, at 11:00 am (one week after the April meeting) and will finish up at the new dining hall. After the tour Cowan volunteered to buy lunch at the new dining hall for those on the tour.

III. **Reports**  
   a) **Recylemania Subcommittee**  
      Myhra distributed two handouts with Recylemania results. MSU, Mankato recycled more than last year, but fell in rankings.

   b) **Marketing Subcommittee**  
      The committee has been in contact with Sara Frederick, Integrated Marketing, and is working on a two piece flyer and logo/wordmark.

   c) **Bee Friendly Campus**  
      Heid reported that with help from the Prairie Enthusiasts there will be a burn and a native prairie will be planted in the back of the paylot. The Bee Friendly application is expected to be signed by President Davenport. It was suggested to have signs up to be both educational and as a warning for people with allergies.

   d) **Earth Day Subcommittee**  
      Earth Day event is Saturday, April 22nd 9am – noon. 70 volunteers signed up and will receive lunch and a t-shirt. Volunteers will pick-up trash around campus and will expand to areas right outside of campus if number of volunteers and time allows.

   e) **CAP Subcommittee**  
      Celebration is September 26th, 7-9pm in Ostrander Auditorium. The keynote speaker is Jamie Jacquart, Assistant Director of Sustainability at the University of Massachusetts, Dartmouth and a 1987 graduate of MSU, Mankato. The event is expected to cost $1,700. It was reported that the carbon footprint for greenhouse gasses has fallen 5-6% and the guaranteed energy savings will create another drop. Schwartzkopf asked for a $25 Barnes and Noble gift card for the student who wins the computer survey drawing – approved.

   f) **Bicycle Subcommittee**  
      Urban met with MSSA. The application for Bicycle Friendly Campus became available recently, there is a $100 fee. May is bike month. May 19th is bike to
work day. Urban suggested that as bikes are registered on campus, the bike owner receive a book with rules/tips.

IV. **Other Business**
   a) **Date/Time for Summer/Fall Meetings**
      The fall meetings will continue to be the third Friday of the month at 11am in CSU 202.

   b) **Electric Vehicle Charging Stations**
      It will take 12 years to recoup fees. Myhra will ask Bruce Jones some questions.

V. **Announcements**
   a) Sarah Hast, Vice President of the Zoology Club, was introduced.
   b) Not including labor, it costs $4,700 to dispose of lightbulbs.
   c) August 17th is move in day. From 2-5:30 2nd Harvest and Campus Kitchen will be providing free vegetables. Last year students received 20 lbs each.
   d) September 16th is Sibley Park clean up. Participant numbers are rising. Could be used as a recruitment fair and have the brochure there.
   e) We need to prepare a document of our accomplishments for the EPA website. The person responsible for the accomplishment should write a paragraph.
   f) There does not seem to be an issue with vendors leaving items behind and there is nothing in the contract.

Respectfully submitted:

Beth Rorvig

Future Meetings (3rd Friday each month)
Friday, May 19th, 2017 Su 202
