I. Approval of minutes, December meeting
Prew, Co-Chair, called the meeting to order at 11:05 am. The meeting minutes for August 17 and for October 19 were moved, seconded and approved. The Committee decided unanimously to CANCEL the December meeting scheduled for December 21, since this date falls after the end of Fall Semester.

II. Announcement for Co-Chair Nominations
Keara Murphy put her name in for nomination for the student Co-Chair. Moved, seconded and unanimously approved. Murphy is the new student Co-Chair. There are no nominations for faculty/staff Co-Chair yet. Prew will ask the new faculty members on the Committee if either wants to be Co-Chair.

III. Recyclemania
Myhra suggested that we not participate in Recyclemania this year, because of the large time demands required. Moved, seconded and approved that we will not participate this year. Much discussion of and many questions about recycling on campus ensued. Cowan will talk to Building Services about inviting a representative from LJP, our waste hauler, to the January meeting to address our concerns and questions.

IV. Other Business
a) Schwartzkopf presented some results from the most recent campus carbon footprint update, which he is working on. The footprint has decreased by 15.6% over a period of six years, primarily because of the Public Buildings Enhanced Energy Efficiency Program (PBEEEP), the Guaranteed Energy Savings Program (GESP), and changes in student commuting patterns (fewer students driving alone). PBEEEP and GESP were brought to campus by Ron Fields, former Assistant Vice-President for Facilities Management. Mitchell will report these results to the Student Senate.
