

Bedding Guide for Students Living on-campus in Residential Life Housing

Make sure that you have the following bedding ready upon arrival to Mankato:

- Pillow(s)
- Sheets for **Twin XL** bed (twin-size sheets will NOT fit the beds in residence halls)
 - o 1 pillowcase, 1 flat sheet, and 1 fitted sheet
 - o If you are living in a Stadium Heights single room, you should buy sheets that are **FULL** size as your bed is larger (Twin XL sheets will not work on these beds).
- Blanket/Comforter

Having these items will allow you to have a restful night of sleep without worrying about going to a store right away.

Many stores offer packages that include matching pillow cases, sheets, and comforters for a more reasonable price than buying them individually. You may look around and find the style and options you like the best.
