

PSEO Students,

## **PSEO textbook ordering is open!**

**If you are looking to get your books *shipped* to you, simply follow these [step-by-step instructions](#).**

### **A few **important** items to note:**

- Keep in mind that **you are responsible for the cost of shipping your materials**, the PSEO Office does not cover this. We will cover the physical textbook items. The cost of shipping and the cost of the physical textbook item will separate at checkout, and you will not see the textbook cost posted to your bank account (just shipping).
- PSEO students can only order required textbooks, not recommended, so if your book is listed as recommended, you cannot order that material.
- You need to use your Tech ID number NOT your Star ID for textbook orders. **Your order will be cancelled if you use your Star ID**. Here's [how to find your Tech ID number](#).
- Not all classes require you to order textbook materials. If you do not have the option to order something, that means you do not need to order anything at this time.

Thanks!
